

## Nginx Reverse proxy all http requests to nodes js api.

```
server {  
    listen 81;  
    server_name _;  
  
    location / {  
        proxy_pass      http://127.0.0.1:7080;  
    }  
}
```
